FUNDRAISING

'Go Fund Me' & 'Easy Fundraising'

This year the Club will have four competitive groups, 3 of which are competing at the English Championships in June. We are fundraising to support the club, the gymnasts and their families with apparatus, travel and accommodation during the year.

The club's Fundraising Committee have set up a Go Fund Me Page for supporters to share and support the gymnasts. The page can be accessed via the link www.gofundme.com/club-fundraising-RGCWorcester The Go Fund Me Page allows family and friends to donate to the Club without the hassle of sending, transferring or you collecting money. Please share the link with family and friends particularly for those who live away to support current and future sponsored Club events.

Also to assist with fundraising, an account for 'Rhythmic Gymnastics Club Worcester' has been set up to raise money via www.easypfundraising.org.uk. It is simple process that costs you nothing – you go to the above website, search for Rhythmic Gymnastics Club Worcester, register as our supporter and every time you shop online through this website you are raising money for our club.

Please help your club... every little helps! Thankyou
